SCORE

Under 30

Coaching is not for you right now.

31 to 60

Coaching could help you to look at your life from a different viewpoint as well as help you develop a plan to change what it is that you would like to change. However, if you decide to work with a coach now, you should decide and commit that you will take the necessary action for your benefit, or you will not make life-changing improvements.

Over 60

You are ready for a coach right now! You are willing to do whatever it takes to create the life you deserve and desire.
